

Longwood Annual Chemical Hygiene and Exposure Control Plan Review Log

Principal Investigator (PI):

The PI or designee has reviewed, and updated if necessary, the applicable plan(s) for his/her laboratory:

- Chemical Hygiene Plan (CHP) Part III Site-Specific Procedures for particularly hazardous substances (e.g., carcinogens, reproductive toxins, highly acutely toxic substances, pyrophorics, water-reactives)
- Exposure Control Plan (ECP) for bloodborne pathogens, including human cell lines

Signature of Reviewer	(√ if apj CHP	plicable) ECP	Date of Review or Update

Note: Keep log with Chemical Hygiene Plan, at a minimum.

Revision Date: 10/12/2012
