Regularly wash hands for 20 seconds with soap & water

Wear a face covering indoors. Wear one outdoors only if you’re not vaccinated and can’t maintain social distancing.

If you have COVID symptoms, were recently exposed to COVID, or test positive for COVID, use Crimson Clear

Stay home if you’re sick

Cough or sneeze into the crook of your elbow, even while wearing a face covering

Don’t touch your eyes, nose, or mouth with unwashed hands
