

Harvard-Qualified Pest Management Professionals

The following pest management vendors have been qualified by the Harvard University Department of Environmental Health and Safety (EH&S) as well as by the Harvard University Strategic Procurement office.

Qualified pest management vendors have demonstrated their knowledge and expertise with and commitment to pursuing modern integrated pest management strategies and their adherence to federal, state, and municipal regulations as well as Harvard University practices.

These vendors are reassessed at least annually.

Harvard University entities (i.e., schools, institutions, building managers, and construction project managers) should contract services from a Harvard-qualified pest management vendor to ensure that Harvard University practices are pursued and activities are communicated effectively with EH&S.
