

When Should You File a Report

• You should file a report if you're the operator of a vehicle involved in a crash where the damage to any one vehicle or property is over \$1000, or if there is an injury to any person, even if a police officer was on the scene. You should file the report within 5 days of the date of the crash.

When Should You NOT File a Report

• You should not file a report if the crash occurred on a private road, driveway, private parking lot or other private way.

Why this Report is Important

Data from this report is used for many purposes including:

- Identifying locations with a large number of crashes.
- Improving dangerous highways and intersections.
- Developing highway safety public information programs.
- Developing programs to save lives and reduce highway injuries.

How To Complete This Form

Please carefully complete all sections of this form that apply to your crash, **circling the answer** where appropriate. Illegible reports will be returned to you.

Section A: Crash Location

- Provide the city/town where the crash occurred, the date and time of the crash, and the number of vehicles involved.
- Complete section A1 $\underline{\text{or}}$ A2.
- Use official names of all locations, streets and landmarks.
- Use street name <u>and</u> route #, if applicable.
- Be as precise as possible when describing the location.
- Provide enough information to locate the crash to a specific point, not just a street or roadway.

Section B: Vehicle You Were Driving

- Provide information on your license and the vehicle you were driving.
- Use the codes provided to indicate the cause of the crash.

Section C: You and Your Passengers

- Provide information on you and your passengers at the time of the crash.
- Use the codes provided to indicate occupant information.

Section D: Other Vehicles Involved in the Crash

- Provide information on the other vehicle(s) and operator(s) involved in the crash.
- If more than one vehicle involved, please use additional form completing Section D only.

Section E: Non-Motorist(s) Involved

- Provide information on the non-motorist(s) involved in the crash.
- If more than one non-motorist involved, please use additional form completing Section E only.

Section F: Crash Conditions

Use the codes provided to indicate the conditions at the time of the crash.

Section G: Crash Diagram

- Draw a diagram of how the crash occurred.
- On the diagram, Vehicle 1 represents your vehicle.

Section H: Witness Information

List all the people who saw the crash but were not involved.

Section I: Property Damage Information

 Indicate all non-vehicular property that was damaged in the crash.

Section J: Description of What Happened

 Describe the crash including events prior to the crash for your vehicles and all other vehicles.

Section K: Signature

Please sign and print your name and indicate the date you completed the form.
