

# **KEEP CONSTRUCTION SITES MOSQUITO-FREE**

Mosquitoes develop in standing water. They'll bite and may transmit disease-causing microbes. Protect yourself and others from mosquitoes.

**Bins**

**Jersey  
barriers**

**Drums  
&  
buckets**

**Tires**

**Tarps &  
puddles**

**Pits &  
sumps**

- ✓ Drain standing water
- ✓ Empty, cover or turn over containers that may collect water
- ✓ Contact EH&S and your pest control vendor for guidance and treatment (when needed)
