**General Evacuation Guidelines**

- If the fire alarm is activated - STOP all activities and immediately initiate an evacuation. Do not delay your evacuation.
- Test your door - if it is HOT - seal the door with a wet towel to help keep smoke out. Call 5-1212 or 911 and provide HUPD or the CFD with your exact location.
- Stay low to the floor if smoke enters the room. If possible, signal the fire department from a window.
- Test your door - if it is COLD - if it is safe to do so, take your room keys and close doors behind you as you exit.
- Follow EXIT signs to the nearest fire stairwell. Do not use elevators.
- Go to your designated meeting site. Please wait for further instructions.
- Do NOT re-enter the building until authorized by HUPD or the CFD.

**Fire Safety Equipment**

- Smoke detectors are installed in each dormitory room to provide you with an early warning of a developing fire.
- Do not obstruct smoke detection devices or hang anything on sprinkler heads or sprinkler piping.
- Any abuse of, or tampering with fire alarm smoke detectors, fire extinguishers or components of the fire protection systems is strictly forbidden.
- Keep emergency exit door within rooms/suites clear at all times. Do not block on either side by furniture or obstructions of any kind.
- Keep hallway corridors clear and fire doors closed - fire doors are used to control smoke.
- Falsely pulling any alarm or maliciously causing a smoke detector to initiate a general alarm is a violation of Massachusetts General Laws and may be punishable by a fine of up to $500 or imprisonment.
- Report potential fire hazards to your Building Manager/ Superintendent.

**IF YOU DISCOVER A FIRE**

- **RELOCATE** - If safe to do so, relocate people in immediate danger. Be aware of persons who may need assistance.
- **ALARM** - Pull the building fire alarm to alert others.
- **CONFINE** - Close all doors as you exit your dormitory room/suite.
- **EVACUATE** - Evacuate the building. Do not use elevators.

Call 5-5560 from a safe location outside the building to provide information to the University’s Operations Center.

**Report to your designated meeting site.**
Make your residence at Harvard a safe one by following these common sense fire safety measures. To minimize the risk of fire, the following activities or items are restricted or prohibited in your room or suite:

- **Smoking is prohibited** in all areas of Houses and Dormitories, including but not restricted to all common areas, offices, tutor residences, and student bedrooms and common areas.
- **The use of candles and other sources of open flame are strictly forbidden.**
- **Cooking equipment is prohibited.** The City of Cambridge forbid cooking in any room or apartment not equipped with permanent cooking facilities.
- **Your room has a limited electrical capacity.** Do not overload the circuits. Refrigerators, stereo systems and other approved appliances should be plugged into wall outlets, never connected to light sockets.
- **Extension cords must be in good condition and of proper rating.** Use only Underwriters Laboratory or National Electrical Code approved extension cords. Cords should not run through doorways or partitions or covered with rugs.
- **Refrigerators require ventilation to operate safely.** Do not install them in closets or bathrooms. Do not cover them with blankets, tablecloths or other materials.
- **Air conditioners are allowed only with the written recommendation of a physician and the approval of the Student Disability Resources.**
- **Halogen lamps are prohibited.** The University has prohibited the use of all halogen lamps in all House, dormitory rooms and common areas.
- **Any electrical appliance declared unsafe, for any reason, must be removed immediately from University housing.**
- **Fireworks, gasoline, propane and other flammable materials, their containers, motor cycles, mopeds and other fuel powered items are prohibited from Houses, dormitories, apartments and common areas.**
